

TEXOMA YOUTH HOCKEY ASSOCIATION

Scholarship Overview

This season the TYHA has funds in the amount of \$650.00 dedicated for scholarships. This money was given to the TYHA by WalMart in the form of two grants specifically designated to be distributed to financially support player's registration costs.

These funds will be distributed in varying amounts based upon information submitted in the scholarship application form. All funds will be disbursed after careful consideration of each applicant by the scholarship committee. All scholarships will be awarded as soon as possible or by the September 15, 2011 first installment payment date.

SCHOLARSHIP COMMITTEE

It is the responsibility of the Scholarship Committee to confidentially review the information submitted by applicants and, to the best of its ability, make funds available where needed to offset the cost of participation in the hockey program. It is the committee's duty to be fair and impartial and to recognize that financial aid can be awarded for varied reasons.

In return, it is expected that families receiving scholarship funds be willing to volunteer time to assist the TYHA in fundraising, with tournaments held in Wichita Falls, and to support the TYHA in whatever ways they are able.

Also, it is imperative that the players receiving scholarship funds insure that they are committed to attend ALL on-ice practices, off-ice sessions, team meetings and games.
